**Subject:** Discuss NOAA Re-drafted RPA's on Idaho toxics

Folks – NOAA is not able to get us the re-drafted RPA's until Thursday morning. Therefore, the objective of the conference call on Thursday is to have NOAA walk us all through the re-drafted RPA's. I hope you are all still planning to participate in the call. Thanks.

Courtney – If you are available and can participate, we'll be in Angela's office. I'll send you the meeting invite
